HARDY Perennial Plants

Virginia Flower Gardens

Falls Church, Virginia

Concerning Our Business Methods

Location

SEVEN miles from Washington, D. C., on Masonville Road, south of Falls Church in Fairfax County. Leaving Washington via the new Key Bridge at 35th and M Sts., N. W., turn to right on south end of bridge and follow the concrete and macadam road to Falls Church which is the Lee Highway out of Washington. After passing through the center of Falls Church you come to the old historic Episcopal Church. Seventy-five yards past the church turn left on a new macadam road and proceed one and a half miles to our gardens.

Truck Delivery

Washington and suburbs, or a reasonable distance from our gardens or Washington, delivery by truck is free. For longer hauls it is necessary to charge for delivery.

Planting

We do planting and contracting for perennial beds. Estimates cheerfully given. Planting is charged for by the hour or day. Estimates are given for complete job when requested.

We Are Members Of

Society of American Florists and Ornamental Horticulturists; Washington Floral Club.

Terms and Conditions of Sale

Shipping Instructions

ORDERS. All orders are accepted subject to the following terms and conditions. Write plainly and give explicit directions as to address and mode of shipment.

Shipments will be forwarded exactly as directed: but where without instructions, we will use our best judgment.

Terms

CASH WITH ORDER. Except to persons who satisfy us as to their financial responsibility, accounts are due when bills are rendered, and prompt payments are expected.

PRICES given in this catalog are for the goods f. o. b. Falls Church, Virginia. No charge for packing.

STOCK SELECTED by customers will be charged for according to the value of the plants chosen.

Guarantees

In furnishing stock, we use the greatest care to have it true to name, and will replace any that may prove untrue, free of charge, or refund purchase price. We shall not be liable for more than the purchase price. Every purchase from us is made on these terms.

We do not guarantee stock to grow, or results in any way unless given with estimate by one of our employees, by letter or on invoice. And in no case do we hold ourselves responsible for stock killed or injured by dogs or animals, humans or damage by fire, heat or snow, or conditions beyond our control.

This guarantee is void if accounts are not settled within thirty days from date of invoice.

There are so many causes for failure over which we have no control that we can assume no responsibility after stock is delivered in good order. Poor soil, unfavorable weather, ignorant or careless culture—all contribute to failure and all are beyond our control.

Hardy Perennial Plants

The following collection embraces the most desirable varieties. They are all showy, of easy cultivation, and the flowering season is from March to November. By a careful selection a continuous display of flowers may be had the entire season. If you desire, we can make selection for you. The perennials offered on the following pages are all good varieties of blooming size, and sure to give good results.

Botanical Name	Common Name	Planting	Height	Color	Season	Price Each
